	<ul style="list-style-type: none"> The remaining wards were covered during the months of May and June as alluded above. <p>The municipality's total operating and capital budget is estimated to be R332 million. Operating expenditure has been projected at R359 million. The Municipality's capital expenditure amounts to R45.6 million that the 100% is funded from grants, however should there be funds available there's capital expenditure planned to be implemented from that available funds. This is supported with a revenue base of R 286.6 million from service charges, property rates and operational grants. The budget has a deficit of R72.5 mil due to non-cash items that constitutes a big chunk of the expenditure, however these expenses has to be accounted for to ensure that the budget is realistic and credible. The municipality is also experiencing cash-flow challenges that will have a direct impact on the budget that is prepared for 2019/2020.</p> <p>Total operating revenue stands at 286 million for the 2019/2020 financial year while total operating expenditure has been appropriated at R359 million, R371 million in 2020/2021 and R385 in</p>	<p>For a consumers to be issued with a valuation certificate, 50% of the total debt must be paid in advance and the rest of the debt be arranged for.</p> <p>Property Rates was increased by R 3.5 million as a result of the implementation of the Valuation Roll, and correction of incorrect values by means of the supplementary Valuation Roll.</p> <p>Municipal grants for the 2019/2020 financial year are as follows:</p> <ul style="list-style-type: none"> - Equitable Share: this is an unconditional grant meant to subsidise the poor and council support and is allocated R118 906 000. - Finance Management Grant (FMG): this is a conditional grant aimed at improving Finance management within the municipality and allocated R1 970 000 - Water Services Infrastructure Grant
